**Thoughtful conversations.
Seamless guest flow.
A memorable shared
experience.**

A thoughtful conversation, not traditional fortune-telling

A corporate tarot experience is as a relaxed drop-in station. Guests visit whenever they're ready, spend about 4–5 minutes with me, and then make room for the next person. It fits naturally into networking or social events without interrupting the flow

The psychology-inspired experience focuses on reflection, strengths, opportunities, confidence, and decision-making. Guests need no prior knowledge of tarot and no requirement to “believe” in it.

**A meaningful conversation
in just a few minutes.**

Tips on where to put the Tarot reading station

Works Well

- Visible to guests
- Away from speakers
- Comfortable lighting
- Room for a small waiting area
- Easy access without blocking traffic

Best to Avoid

- Directly beside the DJ or band
- In front of the buffet
- In a narrow hallway
- In a high-traffic doorway
- In very dark or loud areas

A quieter corner improves the guest experience without separating the activation from the event.

Capacity scales with activation time

Experience Time	Recommended Guest Capacity
1 hour	12–15 guests
1.5 hours	18–22 guests
2 hours	25–30 guests
3 hours	35–45 guests
4 hours	50–60 guests

A small waiting list is normal and often creates additional interest around the experience.
